

Bureau of Indian Affairs, Interior

§ 170.6

of State or Indian tribal lands, the Commissioner shall plan, survey, design and construct roads on the Federal-Aid Indian Road System to provide an adequate system of road facilities serving Indian lands.

§ 170.4 Approval of road construction activities.

The Secretary of Transportation or his authorized representative shall approve the location, type, and design of all projects on the Federal-Aid Indian Road System before any construction expenditures are made. All such construction shall be under the general supervision of the Secretary of Transportation or his authorized representative.

(23 U.S.C. 208)

§ 170.4a Selection of road construction projects.

The Commissioner, who is responsible for the planning, surveys and design, shall keep the appropriate local tribal officials informed of all technical information relating to the project alternatives of proposed road developments. The Commissioner shall recommend to the tribe those proposed road projects having the greatest need as determined by the comprehensive transportation analysis. Tribes shall then establish annual priorities for road construction projects. Subject to the approval of the Commissioner, the annual selection of road projects for construction shall be performed by tribes. Funds available for the construction of roads on the Federal-Aid Indian Road System shall not be used for the capital improvement to privately-owned property. (39 Stat. 355)

§ 170.4b What formula will you use to distribute Fiscal Year 2000 Indian Reservation Roads Funds?

From February 15, 2000 through September 30, 2000, the Secretary will distribute one-half of the Fiscal Year 2000 funds authorized under Section 1115 of the Transportation Equity Act for the 21st Century, Pub. L. 105-178, to Indian Reservation Roads and Bridges projects on or near Indian reservations under the Relative Need Formula established

and approved in January 1993. (23 U.S.C. 202(d)).

[65 FR 7434, Feb. 15, 2000]

§ 170.5 Right-of-way.

(a) The procedure for obtaining permission to survey and for granting any necessary right-of-way are governed by part 169 of this chapter. Tribal consent as required under §169.3(a) may be made by public dedication where proper tribal authority exists. Before any work is undertaken for the construction of road projects, the Commissioner shall obtain the written consent of the Indian landowners. Where an Indian has an interest in tribal land by virtue of a land use assignment, such consent shall be obtained from both the landholder of the assignment and the Indian tribe. Right-of-way easements are to be on a form approved by the Commissioner.

(b) If it appears that the road might be transferred to the tribe, the county or the State within 10 years, then before such construction is undertaken, right-of-way easements for the project shall be obtained in favor of the United States, its successors and assigns, with the right to construct, maintain, and repair improvements thereon and thereover, for such purposes and with the further right in the United States, its successors and assigns, to transfer the right-of-way easements by assignment, grant or otherwise.

§ 170.5a Employment of Indians.

The Bureau of Indian Affairs road program shall be administered in such a way as to provide training and employment of Indians. The Commissioner may contract with tribes and Indian-owned construction companies, or the Commissioner may purchase materials, obtain equipment and employ Indian labor in the construction and maintenance of roads.
